## PROFESSIONAL EXPERIENCE

FULL STACK & WORDPRESS DEVELOPER | iTech Solutions | Beirut, Lebanon

Feb 2025 – Oct 2025

- Built and customized professional **WordPress** websites using **Elementor** and **WP Bakery**.
- Designed **responsive, mobile-first, visually consistent layouts** with strong attention to UX.
- Developed custom CSS, animations, and interactive components to enhance UI.
- Integrated third-party solutions (booking systems, payment gateways, contact forms).
- Improved SEO using structured data, metadata optimization, sitemaps, and page speed improvements.
- Designed reusable theme templates for scalable, consistent branding.
- Built **full-stack React/Node.js applications** including a **Club Management System**.

FULL STACK DEVELOPER | CentroPrise | Paris, France

Nov 2024 – Present

- Designed and optimized **responsive UI components** with a focus on performance and SEO.
- Participated in **Agile workflows** including sprint planning, reviews, and bug resolution.
- Developed a **documentation platform** using Node.js/Express.js.
- Built a full booking system for **Beauty Salons** with:
  - Authentication & appointment management
  - Cron job email notifications
  - Secure backend APIs (JWT + HTTP-only cookies)
- Fully deployed to production with **Nginx, SSL (Certbot), PM2, and Ubuntu server maintenance**.
- Enhanced the company's CRM APIs and frontend using reusable components.

E-COMMERCE DEVELOPER | SAWAKART | BEIRUT, LEBANON

Nov 2025 – Present

- Maintain and improve the UI/UX of Shopify-based e-commerce platform.
- Implement custom features, layouts, and optimizations for product and checkout flows.
- Enhance responsive designs and user experience across devices.

## EDUCATION

BACHELOR'S DEGREE | Computer Science | Beirut Arab University

2022-2025
